

Energy Healing (aura and chakra healing) is one of the most profound and fundamental alternative therapies in the field of alternative medicine and holistic health.

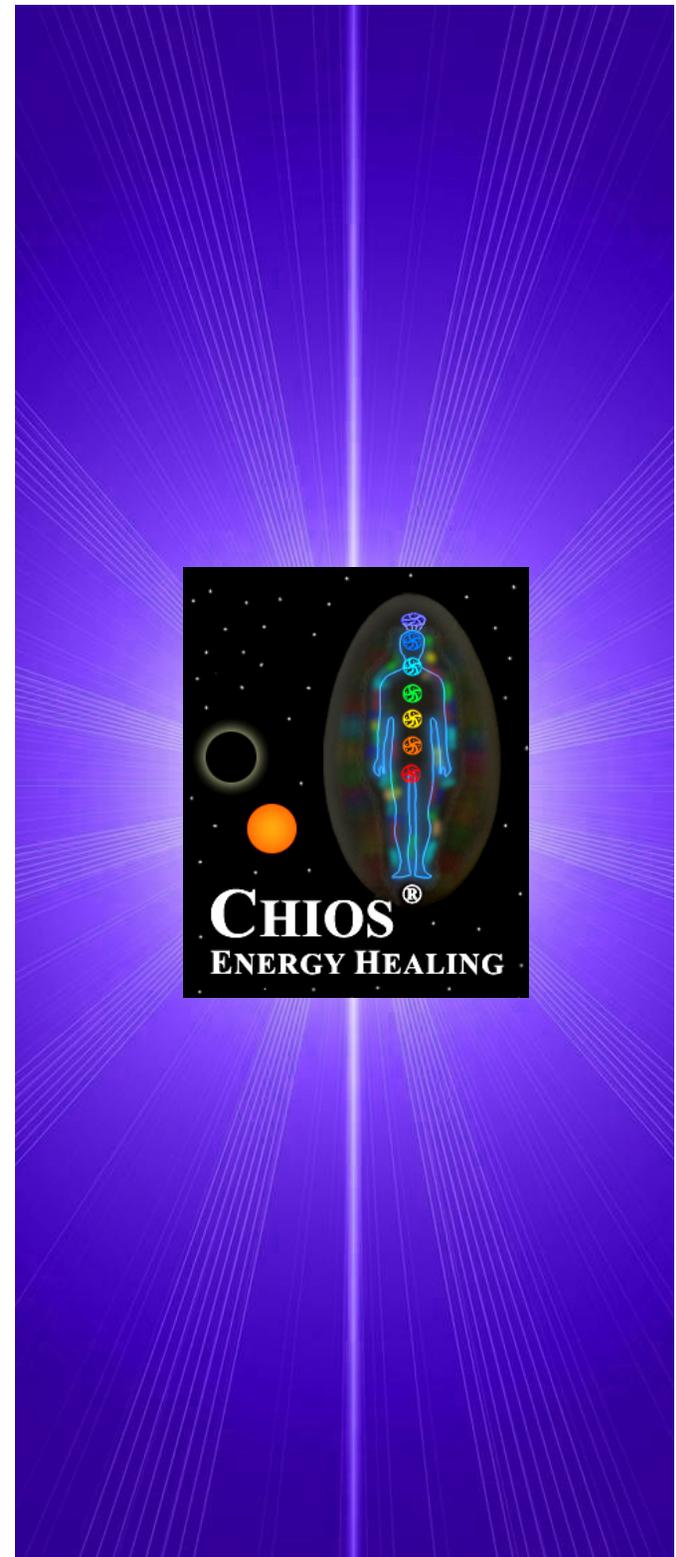

Do you desire enhanced quality of life at all levels of your being—body, emotions, mind and spirit?

Do you feel an inner drive for spiritual growth, but want to pursue it in a way that is genuinely pure and powerful?

Are you struggling with diseases or afflictions of body or mind, and want to complement traditional medical care with holistic care that may provide healing at the deepest, potentially most effective level?

If your answer to any of these questions is “yes,” consider receiving energy healing treatments.

## How Can I Experience Chios®?

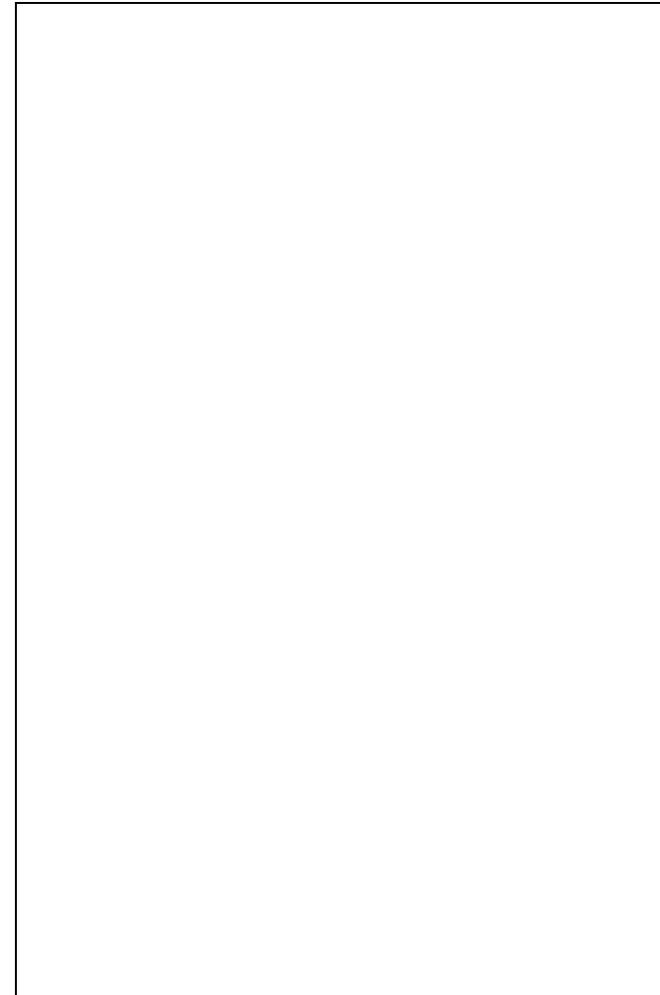

---

Chios® Energy Healing treatments are offered throughout the world by Chios® Healing Practitioners and Chios® Master Teachers (who also offer instruction in Chios®). Treatments are by appointment, and usually last a half hour to an hour.

During your healing treatment appointment, your Chios® healer will use the perceptual tools of Chios® to detect the energy defects present in your aura and chakras. Then, he or she will employ the powerful and unique Chios® Energy Healing techniques to promote healing of those defects! You may find just one Chios healing treatment to be adequate, or you may find it best to receive a few (or a series) of treatments. Many people who have sought enhanced quality of life, spiritual growth and healing look back to these treatments as “the time when everything changed” and the healing and growth they had so often sought finally emerged. Call or email today to book your Chios® healing appointment!
